MCC provides supported employment, individual support services, and community supported living arrangements for individuals with developmental disabilities. Annually staff and volunteers work diligently to ensure the success of this organization.

André Coates, Executive Director of Maryland Community Connection, stated that this is a great opportunity to celebrate the lives of the individuals we serve and the contributions of our Board of Directors, staff, and volunteers. Maryland Community Connection is committed to making individuals with developmental disabilities a viable part of their communities.

Sponsorships of individuals with developmental disabilities and opportunities to place ads with your logo, have your name or/and company in the program, two upcoming newsletters, posting on the MCC website, the opportunity to make brief remarks at Anniversary Celebration, distribution of your company's literature at Anniversary Celebration, and recognition in MCC Annual Report are all available.
